This program is cutting edge, challenging, and holistic. It incorporates metabolic training techniques backed by solid scientific research and offers participants the most efficient way to change their bodies in a small group exercise setting. It is a progressive, high intensity cardio and resistance training session that uses all modalities of movement and a fresh approach to whole body training. These exercise techniques are utilized by top athletes for peak performance and conditioning and are tailor fitted to transform any individual at any level of fitness. Studio Fit is a sound exercise program that kick starts your metabolism, maximizes benefits in a short time, and guarantees rewarding results. **It's intense but it's worth it!**
